## **General Business:**

Thank you to Greg for accepting the ongoing P & F Vice chair role.

P & F webpage – the reference to the old P & F Federation has been deleted and do we want a document related to the TCSPC on there? Tina Boon is the contact person for the newsletter and College website. There is a link to APC and also to TCSPC Tasmanian Catholic Schools Parents Council. There should also be a link to CSPA Catholic Schools Parents Association

Simon reported on the Traffic management. College will need \$50 - \$75,000 for the shelter alongside the Nano Nagle gym once the new bus route is put in place. Simon will check with the building committee regarding this. Simon will check with Building committee to erect a shade cloth in the ERC courtyard. At the moment there are sun umbrellas which will suffice for the present time. Look to erecting the shade cloth in October holidays.

Simon talked about the Strategic plan 2010 – 2015 / school improvement. This is a snapshot of the community, strengths and weaknesses. What is our focus over the next few years? Survey parents, staff and students in June. In July there will be focus groups to look at the strategy in moving forward.

Next meeting Tuesday 17<sup>th</sup> March, 2015 (St Patrick's Day) in the ERC – parents invited to come along to see the middle school plans; traffic management plans. Jim will bring along wine, Janette bring along nibbles. Information to go into the newsletter over the coming weeks.
