UNIFORM CODE

It is the responsibility of the parent/guardian to provide the correct items for the student to wear. It is the responsibility of the student to wear their uniform correctly as outlined in this code. It is the responsibility of College staff to uphold and maintain the expectations and integrity of this code.

The following points outline the responsibilities for students on how the College Uniform must be presented:

1. The correct school uniform is to be worn between home and school and on other occasions as required. PE Uniform may only be worn to and from school on Wellbeing/Literacy Days (*Thursday Yr 7/8*), Active Uniform Days (*Tuesday and Thursday Yr 9*), Carnival and Reflection Days.
2. Students are expected to be neatly and appropriately dressed.
3. The blazer is to be worn to and from school unless otherwise directed. It is also worn to Tutor Group every morning. Students will wear their blazer to all formal assemblies and Masses at the College.
4. Hair should be well groomed, neatly cut with no extremes of colour or style. Long hair (collar length) must be tied completely back using either a black or green hair tie. Ribbons may be used to tie hair back, but must only be the College colours of white, gold or green. Combs or clips that match the hair colour are also acceptable.
5. It is an expectation that all male students be clean-shaven at all times. If a student arrives at school not having shaved, they will do so under the instruction of relevant staff and provided with the relevant tools.
6. All items should be clearly and permanently marked on the inside of the garment.
7. Make-up and nail polish must not to be worn with the school uniform.
8. **The following items of jewellery are permitted:**
 - A simple wrist watch
 - A simple neck chain (worn under the clothing)
 - One plain/simple bracelet of gold or silver
 - One simple/plain ring of gold or silver
 - One pair of small plain earrings, in the ear lobe only - a sleeper or stud of gold or silver, a small Diamante or pearl are permitted. 8mm in diameter is the maximum size permitted.
 - Multiple ear piercings and other facial piercings (eg. nose) are not in keeping with the standards or expectations of St Patrick's College. Should a student make the *choice* to wear these items, they will be removed from all classes until this expectation is met.
 - **Please note that excess jewellery will be confiscated and held by House Head until the end of Term.**

9. Skirt/dress length should be on the knee.
10. Hats are recommended during Recess, Lunch and other outdoor activities when the Summer uniform is worn. All uniform expectations outlined in this code are to be enacted by students with consideration of the College's *Sun Smart Policy*. ***For all outdoor activities students are encouraged to wear a College hat.***
11. The SPC green backpack is the only acceptable bag for daily use. The College sports bag may be used as an additional resource for sports gear, but must be stored in the correct locations. **The sports bag is not to be used instead of the College backpack. WHS practices dictate that bags are not to be carried to class, or around the halls at recess or lunch, they must be stored in the allocated lockers, or bag racks.**
12. The College raincoat and Track Suit (formerly 'Spray') Jacket are not to be worn inside for any reason. They may be worn to or from school during wet weather. However, the wet weather garment must be removed when the student arrives at the College and placed in the student's locker. When travelling to and from the College, **the College Blazer must be worn beneath a wet weather garment.**
13. The College raincoat and Track Suit (formerly 'Spray') Jacket may be worn when outside at lunchtime during wet weather.

When it is unavoidable that the student is wearing the uniform incorrectly and is in breach of any section of this code, it is the responsibility of the parent/guardian to provide the student with a note which must explain the reason for, and duration of, the incorrect wearing of uniform. Upon arriving at Tutor Group that morning the student must show the note to their Tutor Teacher, who will refer the student to the Uniform Office. If necessary, the student can be provided with the missing piece of uniform (eg. Blazer).

SUNSMART POLICY

The College acknowledges the importance of students maintaining a healthy ultra violet (UV) balance all year round by encouraging sun protection when UV index levels reach 3 and above and safe sun exposure for vitamin D.

Based on recommendations made by Cancer Council Tasmania, when average UV Index levels in Tasmania reach 3 and above (typically from mid-September to mid-April in Tasmania), students are encouraged to use a combination of sun protection measures including:

- The College broad brimmed hat.

- Close fitting, wrap-around sunglasses that meet the Australian Standard 1067:2003 (Sunglasses: Category 2,3 or 4) and cover as much of the eye area as possible.

- SPF 30+ broad spectrum, water resistant sunscreen.

- Seeking shaded areas of the College during recess, lunch and other outdoor activities.

For more information, please refer to the SunSmart Policy on the College website;
<http://www.stpatricks.tas.edu.au/about/policies/>
