

New Cashless System is here!

St Patrick's College is constantly on the lookout for new ways to make your interactions with school more convenient. That's why we've engaged with Flexischools, Australia's leading school payment system, to provide a new cashless way for you to pay for school services.

Stay in control of your students' on-campus spending with the Flexischools cashless card system...

Sending your student to school with loose change is old school! Flexischools cashless card system links a students' existing school ID card to their Flexischools account, allowing them to purchase securely on the school grounds without the need for cash.

- Parents set up a Flexischools account online and pre-load the account with funds.
- Students make purchases at the canteen by [SCANNING/SWIPING] their card at the cash register.
- On-screen photo ID security protects your account from lost or stolen cards.
- Parents can view their students' purchases online and can set a daily spending limit.
